PROFESSIONAL SUMMARY

Enterprise Sales executive with over 20 years of experience in consultative solutioning and high-value client management. Proven track record of translating complex organizational challenges into C-Suite business value and long-term strategic partnerships. Expert at navigating pilot-to-production lifecycles for bespoke solutions, with a deep focus on bridging the gap between technical innovation (AI, Automation, Agentic Orchestration etc) and human-centric business outcomes. Leveraging advanced academic foundations in AI and AI Ethics to provide market-leading insights into the future of work and executive-level digital transformation.

CORE COMPETENCIES

- Vertical Expertise: Public Sector (GovTech/GCC), Telecommunications (BSS/OSS), and FSI.
- AI & Automation: Agentic AI, Enterprise MCP, Workato iPaaS, and Predictive Analytics.
- Consultative Sales: Bespoke Sprints, Salesforce CRM Strategy, and Managed Services.
- Strategic Orchestration: Leading cross-functional squads (Architects, Partners, and Bid Management).

PROFESSIONAL EXPERIENCE

Workato Inc | Enterprise Account Executive – SG Public Sector and Malaysia | Sep 2024

- Drove adoption of AI-driven automation (iPaaS) for government bodies, focusing on breaking data silos.
- Architected "automation-first" strategies that served as the foundation for Agentic AI and Enterprise MCP implementation.

VISEO SAS | Business Development Director – Salesforce & Bespoke Solutions | 2019 - 2025

- Managed the end-to-end sales of SaaS, bespoke software, Salesforce consulting.
- Specialized in high-touch, consultative sales where "off-the-shelf" solutions were insufficient for client needs.

ARM UK | Business Development / Staff Engineer – IoT Platform & Security Solutions | 2018 - 2019

- Bridge IT & OT for Telcos and Enterprises, to leverage latest in IoT innovations to drive business outcomes.

NCS Group | Client Partner / Enterprise Sales Lead, Global Business | 2016 - 2018

- Lead digital transformation bids for Public Sector agencies, integrating AI/ML into citizen-facing platforms.
- Bridge the gap between legacy infrastructure and Smart City capabilities to drive policy-led outcomes.

Actility SA | Business Development Director – Telco Solutions | 2015 - 2016

- Acted as Regional Technical Sales Director for APAC, securing major IoT and Smart City projects, including IDA's Smart Nation initiative.

DigitalRoute AB | Business Development Director – Telco Solutions | 2011 - 2015

- Managed regional technical sales across APAC, opening new markets in Greater China and ANZ and winning a major project with Jio Reliance.

Comverse Inc (now Amdocs) | Business Development Manager – Telco Solutions | 2008 - 2011

- Led a regional sales and presales team in Southeast Asia, achieving the largest global win for a new Mobile Advertising Platform at SingTel.

Logica (now CGI) | Senior Solution Consultant – Telco Solutions | 2005 - 2008

- Delivered technical consultancy and business analysis for large-scale enterprise system integrations.
- Developed foundational expertise in complex system architecture and project governance.

SingTel & Optus | Senior Manager in Group IT – Business Solutions | 2003 - 2005

- Managing large-scale transformation projects and leading functional requirement development.

Capgemini | Senior Consultant / Account Manager – Telco & Digital | 2000 - 2003

- Industry Focus: Led strategic accounts for Tier-1 Telco providers in APAC & Europe, focusing on digital customer experience and BSS/OSS modernization.
- Consultative Selling: Orchestrated large-scale consulting engagements, moving clients from legacy hardware-centric models to software-defined, client-server architectures.
- Partnership Management: Managed complex delivery ecosystems involving third-party vendors and internal offshore delivery centers.

KEY INDUSTRY IMPACT

Strategic Stakeholder Management: Orchestrated complex, high-stakes public sector engagements by aligning internal technical squads with senior government stakeholders at MTI and MAS to deliver bespoke solutions valued at over \$15M.

- Consultative Tendering & Solutions: Successfully led multiple complex, formalized tendering processes and pilot-to-production cycles, transforming "off-the-shelf" limitations into tailored, high-impact organizational outcomes.
- Data-Led Market Expansion: Utilized CRM-driven insights to identify and cultivate new sector relationships, resulting in a 300% expansion of strategic client pipelines within the Singapore Public Sector and Malaysia GLCs.

TECHNICAL SKILLS & CERTIFICATIONS

- Cloud/AI: Claude, OpenAI, Google AI Stack, Salesforce, Workato Agentic, MLOps.
- Methodologies: Consultative Selling, Agile/Scrum, ITIL, Design Thinking, MEDDPICC.
- Languages: English (Fluent), Mandarin (Professional Working Proficiency).

FlexiMasters in Artificial Intelligence and AI Ethics: Nanyang Technological University (NTU), with coursework including LLMs, Deep Learning and Responsible AI.

Specialist Diploma (Business and Big Data Analytics): Nanyang Polytechnic

Master of Technology (Software Engineering) and Bachelor of Science (Computer Science): Institute of Systems Science (ISS) and National University of Singapore (NUS).
